Conditions Of Sale

Specialty Orders, custom orders, delivery:

All shipping dates are based on the estimated amount of time required to process the order commencing with the date the order is taken, pending point 4 below. Should it be necessary to revise the specifications or conditions of sale for any reason whatsoever outside of the control of Code Electric Products Ltd. (herein called Code) the purchaser will acknowledge that the shipping date shall be extended by a period of time needed to achieve the said changes. At no time shall the purchaser hold Code responsible for any delay or damages incurred due to acts of God, priorities, orders or restrictions imposed by Government, delays in transport, delays from our suppliers or delays due to labour and all delays beyond the control of Code.

1. Every order for special material requires an approval drawing. The approval drawing is to be designed by Code for production, and based on Code's interpretation and tolerance levels.
2. This Code drawing is to be **verified** and **signed** by the **customer and the distributor** for production purposes.
3. Please note that **all revisions** require a **new approval**. This new drawing must also be signed by **both parties** and the **revisions must be kept on file by the distributor**.
4. No manufacturing will commence unless the **customer and distributor** have signed the Code drawing and stipulated the Code drawing number(s) and latest revision.
5. All purchase orders must clearly indicate the latest revision drawing number.

Warranty

All products, other than Eurobex which have their own warranty terms detailed in the Eurobex price list, are warranted to be free from defects in material and workmanship for a period of 1 year from date of shipment from the Code plant. In the event that a product is proven to be defective to Code or Eurobex such product shall be repaired or replaced at the option of the said companies. This repair or replacement shall constitute a fulfillment of all liabilities with respect to such goods. At no time, and under no circumstances will a credit be issued for unauthorized rework on any materials, and all charges associated with a return for defective products deemed non-defective shall be charged to the purchaser. Code shall not be liable for damages to goods or property of persons due to improper installation or if the materials purchased are subject to conditions which exceed design capabilities.

Minimum Billing

Minimum billing is **\$125.00** net of transport and taxes.

Quotation & Pricing:

Goods will be billed at the price effective at the time of order. Code reserves the right to cancel or adjust prices and delivery date.

Freight Terms:

All products are shipped F.O.B. our plant, Coquitlam, British Columbia. Freight prepaid on standard items shipped via the carrier of choice by Code providing the order meets the prepaid minimum detailed below, NET pricing, taxes not included. Additional shipping charges may be incurred when special equipment is requested, e.g.: flat beds, open sides, lift gates. **Prepaid shipping from our plant to a distributor location within BC only.**

Shipping Prepaid Minimums:

BC (excluding the lower mainland includes Chilliwack): \$1250.00 ppd. minimum on standard or custom product.
 BC lower mainland (Vancouver to Abbotsford excludes Chilliwack): \$900.00 ppd. minimum on standard product.

Prepaid shipping from our plant to a distributor location within BC only.

*Exceptions: Single piece Eurobex enclosures weighing more than 250 lbs each are subject to a freight surcharge.

Order Cancellation:

Orders may be cancelled only with Code's written approval.

Returned Goods:

Only unused Code products in new condition and no more than one year old will be considered for return. Upon approval and issue of an RMA (Return merchandise authorization) products may be returned for exchange for other products of equal value. All returns are to be prepaid and must be pre-authorized. Custom, modified or specialty products are non returnable.

Transport Policy:

1. Our products are always shipped F.O.B. our plant, Coquitlam, British Columbia regardless of freight payment terms.
2. F.O.B. "freight on board" denotes that title to the shipment passes to the purchaser at the instant that the carrier signs the bill of lading. It is the responsibility of the purchaser to ensure that the shipment is received in good order, and, to file a **Damaged in Transport Claim** with the carrier should there be damages. Code is not responsible for any liability arising thereof, and cannot be involved in any recovery process.
3. Code will not accept any return shipment due to **Transport Damages** unless authorized.
4. Should repair or replacement of goods be necessary a new Purchase Order must be issued to Code. Code will authorize a return to our plant, with transport at the purchaser's expense. The purchaser is responsible for payment of **both purchase orders**.
